

Study in French in Western Canada!

INTERNATIONAL EDUCATION

**Conseil scolaire
francophone de la
Colombie-Britannique**

Location

CSF Conseil scolaire
francophone de la
Colombie-Britannique

● Accès Direct access to Vancouver through YVR Airport

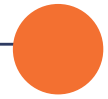

Convenient direct flights from multiple continents, including North America, Europe, Asia and Oceania

Airport close to Vancouver, North Vancouver, Port Coquitlam

- 11 km from Vancouver
- 35 km from North Vancouver
- 37 km from Port Coquitlam

Victoria International Airport on Vancouver Island

British-Colombia

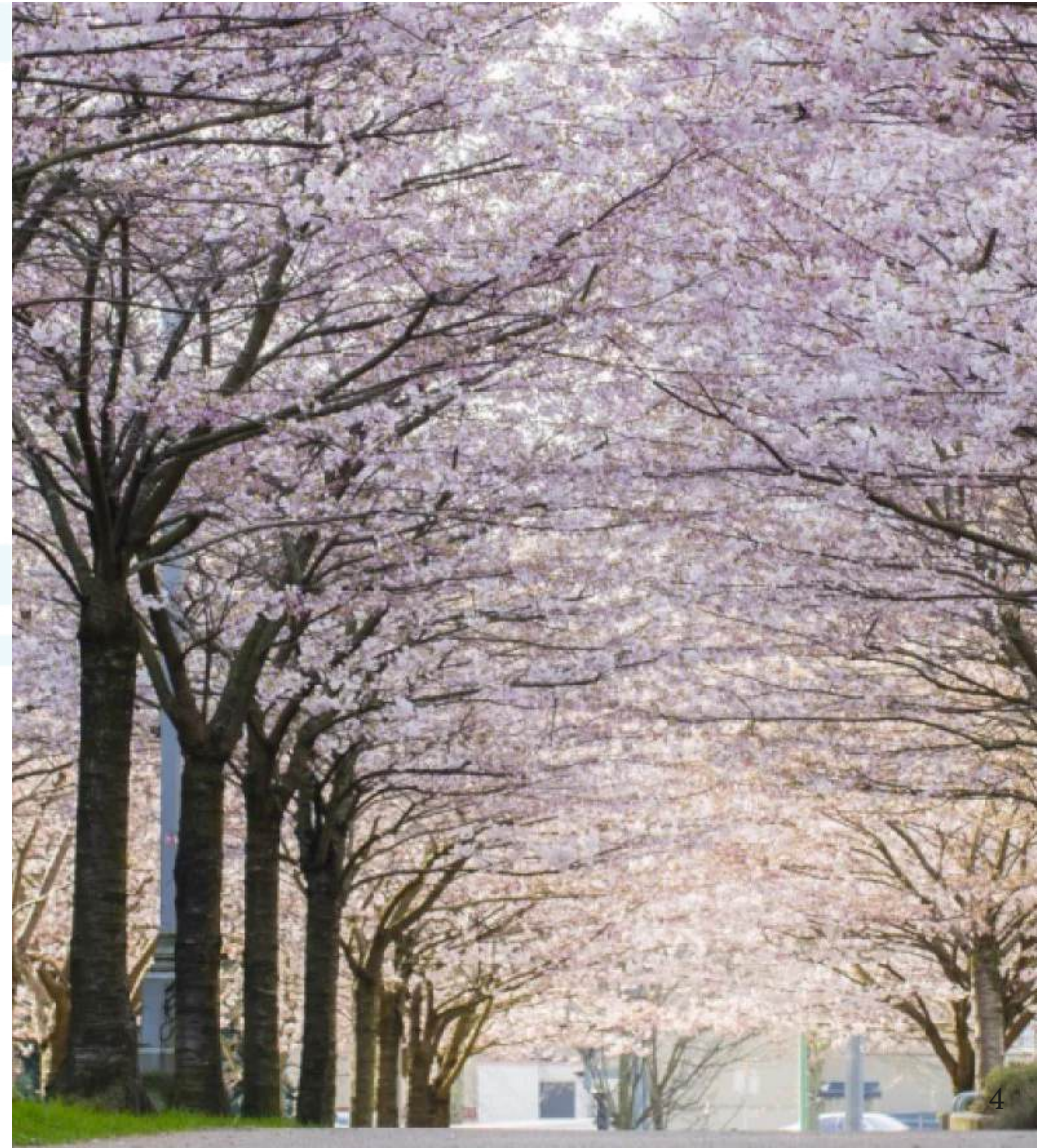

Moderate and oceanic climate:

Nestled between the ocean and the mountains, Vancouver enjoys warm summers and mild winters

Pack for all seasons: bring warm, waterproof clothing for rainy autumns and springs, a bathing suit for summer swims, and cozy winter gear to enjoy the snow !

Year-Round sports and activities

- Biking, Hiking, Skiing, Sailing
- Team sports (basketball, football, volleyball, etc.)

British Columbia consistently ranks as one of the best places to live in Canada because of its high quality of life.

Your home away from home

More than just food and lodging, it is a home away from home !

International students will :

- **Live with a Canadian family**
 - Carefully selected
 - Home inspected
 - Gone through police criminal record check
- **Take part in all aspects of the family life**
- **Appreciate the Canadian way of life and build friendships** that last a lifetime
- **Boost your language skills in English or in French**

We work with homestay agents who will make sure to find the best match for our international students.

Going to school !

Efficient transportation :

- School buses
- Bike
- SkyTrain
- Buses

Vancouver is ranked as the second most bike-friendly city in Canada!

Un programme qui vous ouvre les portes du succès

A unique program that opens doors

Our program **open doors to diverse opportunities**, allowing our students to pursue post-secondary education in **either French or English-speaking institutions in Canada, in the USA or internationally !**

Why choose the Conseil scolaire francophone de la Colombie-Britannique

- **Educational Excellence in French**
The CSF delivers **premium French education across British Columbia**, offering international students the unique advantage of earning two recognized diplomas simultaneously—British Columbia's **English Dogwood and French Cornouiller**—enhancing their global academic prospects.
- **Provincial Network with Extensive Resources**
The CSF operates **47 schools serving 6,000+ students (K-12) throughout British Columbia**. As Western Canada's largest Francophone employer with 1,200+ staff, we're known for innovation and excellence. International students benefit from our robust network and comprehensive support.
- **Rich Cultural and Extracurricular Opportunities**
International students thrive beyond academics at CSF, participating in competitive sports tournaments, French cultural events and adventure camps. This immersive experience develops **essential life skills and global citizenship while celebrating Francophone culture** in an engaging, supportive environment.
- **Stunning West Coast Setting in a Bilingual Environment**
Study in the breathtaking landscapes of British Columbia while gaining a competitive advantage through CSF's dual-language education. **International students develop fluency in both French and English**—a powerful combination that opens doors to prestigious universities and global career opportunities.
