Context

In accordance with the BC School Act, the Budget Transparency and Accountability Act, and CSF policy P-1006, you are invited to share your opinion in the development of the CSF's 2024-2025 budget.

Your participation in this survey is crucial for our school board. This survey is aimed at all parents, students, staff members, and members of the Francophone community.

Objectives

Through your responses, we will be better able to meet the needs of our students, staff, and the community. They will also allow us to request that the ministry respects the equivalence in education between Anglophone and Francophone students as stipulated by the Supreme Court of Canada's ruling in 2020.

We invite you to fill out the 'consultation' section and to share your thoughts in the 'ideas' section.

Results

The results of this survey will be analyzed and presented at a public meeting of the CSF Board of Directors. They will be used in the preparation of the preliminary 2024-2025 budget, which will be voted on in May or June of this year.

Duration of the Consultation

Responses to the questions will be accepted until Friday, January 5, 2024.
